

TEACHERS COLLEGE ENROLLMENT CHECKLIST

FOLLOW THESE STEPS TO GET STARTED ON YOUR DEGREE

Any time is back-to-school time at WGU! Here's your step-by-step guide to completing the application and enrollment processes. Programs start the first day of every month. Talk to your Enrollment Counselor about deadlines; they'll help you every step of the way.

☐ **Apply for Admission**

Apply online! Go to wgu.edu/apply.

☐ **Submit Transcripts**

If you have attended another post-secondary institution, have official transcripts sent directly to WGU, either electronically or by mail. Plan ahead, because it can take a few weeks to process your request. Transcripts should be submitted by the first day of the month before your intended start date. Learn more at wgu.edu/transfer.

☐ **Create Your WGU Student Account and Apply for Financial Aid**

Create your WGU student account through the link at wgu.edu/enrollment. This will give you access to the WGU Student Portal, which you will need to access in order to complete the financial aid process and/or make your first tuition payment.

If you plan to use federal financial aid, you should begin that process as soon as possible. Find a step-by-step guide to the financial aid process at wgu.edu/financialaid.

☐ **Interview with Your Enrollment Counselor**

If you haven't already done so, complete an intake interview with a WGU Enrollment Counselor (866.225.5948). It should take about 20–30 minutes.

☐ **Arrange Tuition Payments**

Your first tuition payment is due by the 22nd of the month before your intended start date.

☐ **Complete Orientation**

The orientation course will acquaint you with WGU's unique competency-based academic approach and link you to the various learning resources you'll use throughout your degree program.

☐ **Begin Your Degree Program**

During orientation, you'll begin working with your Program Mentor to draft your individualized degree plan. You're on your way!

TEACHERS COLLEGE SPECIAL ADMISSION REQUIREMENTS

Special Admission Requirements for Programs Leading to Initial Teacher Certification

Students who are seeking initial teacher licensure in a bachelor's, post-baccalaureate, or master's degree program must also pass a state-specific basic skills test for the state in which they reside prior to their Demonstration Teaching (student teaching) practicum experience. This requirement can be met either prior to admission or before beginning the Foundations of Teaching subject area once you have begun your WGU program. For current admission requirements for the WGU Teachers College, please visit wgu.edu/admissions/tc_requirements.

WGU's teacher licensure programs include Demonstration Teaching—a student teaching practicum that takes place onsite in a working classroom. You must submit to a criminal background check prior to entering the classroom for this component of your program.
